

FOX RUN

at Oak Grove Owners' Association, Inc.

July 31, 2013

Dear Fox Run Homeowners,

It is with deep regret that the Board of Directors has received the recent resignation of Bob Wilson, Vice President and Chair of the Landscaping Committee. Due to family commitments, both he and Eileen have been spending more and more time in Massachusetts.

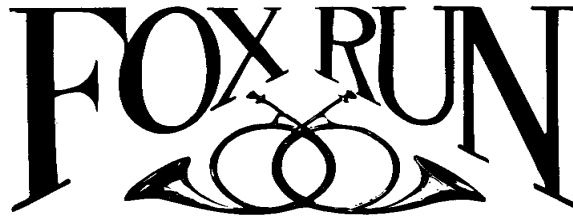

Because of this increased time away from Fox Run, Bob feels that it is in our community's best interest that he resign.

The Board respects his wishes and will continue to keep the Wilsons in our thoughts and prayers.

Because of this vacancy, the Board of Directors is actively seeking members of the community to serve. Two positions are currently open: one to complete a two (2) year term, the other for a one (1) year term.

We ask you to please complete the attached Application Form at your earliest convenience and return it to Shew Community Management by mail, website or fax. Rather than supplying a work phone number, a cell phone number is more appropriate.

Sincerely,
The Board of Directors

at Oak Grove Owners' Association, Inc.
